

## Smoky Hill Vineyard

### 03.21.10 GROWTH GROUP QUESTIONS

PHILIPPIANS 4:21-23

#### GROUP BUILDER

Share an experience when you knew you were empowered by grace to do something God had called you to do.

#### REFLECTION

What fresh understanding about receiving and walking in grace did you receive through this weekend's message?

#### DEEPER (Large Group Discussion)

How do we first receive grace? What can we do to deserve it?

Does depending on Jesus mean that we don't have to take responsibility for our own hardships or decisions? (see Romans 6:1-4)

How would you define saint? Whom do you think Paul was referring to as saints in these verses? (for hints see Romans 1:7; 8:27; 15:25 & 26;& 31).

Read the following verses sifting them for additional understanding of grace: John 1:14; Acts 15:11; Romans 3:21-24; Romans 6:11-14; II Corinthians 4:13-15; Hebrews 4:14-16; James 4:4-10.

#### APPLICATION (In Groups of 2 or 3)

How might these verses inspire you to pray in new ways?

With the understanding that grace is God's empowering presence to enable you to be who he's called you to be, and to do what he's called you to do, where in your life do you need to receive God's grace?

Pray for one another, waiting with expectation to receive and experience the amazing grace of Jesus deep, deep within. Encourage one another with words of encouragement as God leads you.
